A PARAMOUNT-BURTON HOLMES TRAVEL-PICTURE

MAR 18 1921

The Paramount-Burton Holmes release for March 13th is "In The Garden of the East". This Travel-Picture gives you a delightful cruise from Singapore to Batavia, the principal city of Java. As you approach, you see the magnificent new docks at Tanjong Priok, the Port of Batavia. Mr. Holmes takes you ashore and then through Batavia out into the lovely surrounding country, there to marvel at the lush vegetation and the remarkable fertility of the fields, caused by the lava soil which has been furnished to this district by the neighboring volcanoes. You go to the Botanic Garden at Buitenzork, and then out into the sugar-growing fields where the irrigation is done by hand in a most picturesque and unusual manner. You also witness some extraordinary dancing executed by a travelling company of dancing-girls, who carry their own orchestra with them, from plantation to plantation.
